Believe it or not this is Cooperstown

The Cooperstown, New York area is most famous for being the home of baseball. The intimate and friendly city of Oneonta is a great destination for group dining and lodging, particularly during the summer.

Located on the shores of Otsego Lake, Cooperstown with its 1,800 year-round residents and one stop light, is a unique destination augmented by the small-city experiences of Oneonta and other "treasures" scattered throughout the scenic foothills of the Catskill Mountains.

Cooperstown Bat Company

Batter Up — A Fan's Dream Come True

From an up-close-and-personal experience at the Hall and tour at Doubleday Field, to turning blocks of ash and maple into MLB and personalized bats, this Cooperstown visit will create memories of a lifetime. (Two-day trip.)

- Experience VIP access to the **National Baseball Hall of Fame & & Museum** and personal tour of **Doubleday Field**
- Satisfy your curiosity about how professional and collector bats are created, **Cooperstown Bat Company Factory Tour**
- Shop till you drop at **Cooperstown Bat Company**, a candy land of personalized bats, autographed bats, bat holders — everything "bat"
- Test your batting skills, **Cooperstown Batting Cages**
- Hit a home run at the many shops and restaurants in the downtown area, great fun!

The Farmers' Museum

Waterpower and Production

New York is known as the Empire State for many reasons, including its rich history of innovation and ingenuity. Compare 19th century technology to modern uses of traditional resources. No huge factories, just local businesses that still rely on the sustainability of our natural resources. (Two-day trip.)

- 1872 Lesner Water Turbine = fresh-pressed cider, **Fly Creek Cider Mill & Orchard**
- Bellows, red-hot iron = nails, Blacksmith Shop, **The Farmers' Museum**
- Modern-day technology, Old World recipes = **Brewery Ommegang**
- Epicenter of a small, rural community = **Hanford Mills Museum**
